Dear Sirs:-

Will you please inform me if silver quarter dollars coined in 1895 and $ 2.½ dollar gold pieces coined previous to the war between the states have any special value other than its face value? This money is in no 1 condition.

Thanking you.

I remain.

Yours truly

Glenville L. Daniel.

Dear Sir:

Your silver quarter of 1895 is not rare. It would have a few dollars premium if in absolutely brilliant condition, especially if it had the Mint mark O or S.

Your $2.50 gold piece is worth a premium - I should say anywheres from $3.50 up, according to date.

Very truly yours,

Curator
